

SECRETARY OF STATE[721]

Adopted and Filed

Pursuant to the authority of Iowa Code sections 47.1 and 17A.3, the Secretary of State hereby amends Chapter 22, "Voting Systems," Iowa Administrative Code.

These amendments are necessary due to the certification by the Board of Examiners for Voting Systems of two new voting systems for use in the state of Iowa. Chapter 22 does not contain any standards for use of these systems, and counties may be in the process of proceeding with purchases of the newly certified systems. Iowa Code section 52.5, subsection 4, requires administrative rules to be adopted governing the development of vote-counting programs and all procedures used in actual counting of votes by means of the new systems before they can be used in an actual election.

These amendments were published under Notice of Intended Action in the Iowa Administrative Bulletin as **ARC 0695C** on May 1, 2013. No public comments were received that require changes to the amendments as published under Notice of Intended Action.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code chapters 39 through 53.

These amendments will become effective July 31, 2013.

EDITOR'S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these amendments [amendments to Ch 22] is being omitted. These amendments are identical to those published under Notice as **ARC 0695C**, IAB 5/1/13.
